SEPTEMBER 18 - 21, 2025

LE MERIDIEN INTERNATIONAL CONVENTION CENTRE

KOCHI - KERALA

Welcome to Kochi

'The Queen of Arabian Sea'

Dear colleague,

It is our great pleasure to invite you to ECHO-INDIA 2025, the Annual Conference of Indian Academy of Echocardiography, to be held on 18th - 21st September 2025 at "Le Meridien", Kochi, Kerala.

From basic principles ...
Through the 'state of the art' in Echocardiography..
To the future of comprehensive cardiovascular imaging...
We promise you an academic bonanza which will ignite your scientific mind and will enrich your clinical practise.

A half day focussed session on 'Imaging in Structural Interventions' will be a highlight of the conference. Rather than didactic lectures, case based sessions will be the focus, and will keep you at the edge of your seats.

'Hands On' Workshops...
'Case In The Box' series... 'How To Do' sessions ...
There will be something for everyone at ECHO INDIA 2025.

The beautiful Kochi city welcomes you with its iconic legacy, enchanting beauty and exotic Kerala cuisine.

See you @ Kochi

Welcome Message

Dear friends,

“Come September”, ECHO INDIA 2025, comes to Kerala, the God's own Country. State of Kerala is blessed with unmatched natural beauty. It has the most beautiful white sand beaches washed by the waves of Arabian sea, the largest backwaters in the world with exciting water activities, the hills covered with the green blanket of evergreen tea gardens and the animal kingdom of tigers and elephants, making Kerala one of the most sought after tourist destinations in the world.

The Scientific Committee Chairman, Dr. Shanthanu Sengupta, is leaving no stone unturned to knit together a scientific program of the highest order. It will be one in a life time of opportunity to learn the latest in Echocardiography from the world leaders and opinion makers. The international faculty will be mixed with the best Indian scholars to make the faculty a blend of experience and knowledge of the highest order.

The organizing secretary, Dr. James Thomas, is putting out the best efforts to make the ECHO INDIA 2025 conference unique and memorable. The venue of the conference is Hotel Le Meridian, Kochi which has one of the best auditoriums in the country. The hospitality of Kerala is well known to those who have enjoyed it previously.

Kerala had its previous Echo India conference in 2009, 16 years ago. It is high time to get back to Kerala once again. We are all eager to welcome you on 18th to 21st of September 2025 to Kochi, Kerala to learn from the scientific extravaganza in the most serene and relaxing natural beauty of God's own country.

Warm regards

Prof. Rajan Joseph Manjuran
Chairman, Organizing committee
ECHO INDIA 2025

From the President's Desk

Dear friends,

It is with great pleasure and enthusiasm that I welcome you to the 24th National Indian Academy Echocardiography conference.

Masters in the field of Echocardiography from both national and International societies are attending this conference as faculties.

This gathering represents a significant opportunity for us to engage in meaningful discussions, share innovative ideas and clarify our longstanding doubts. Scientific programmes are crafted in such a way to meet the day to day requirements of most of you through both clinical and case based discussions.

I extend my sincere gratitude to our organizers, speakers and participants for their dedication and contribution. Your presence and engagement are what will make this conference a success. I encourage you to take full advantage of the sessions and collaborative discussions.

Eagerly waiting to meet you all in Kochi, Kerala.

Warm regards

Dr. R. Manivasagam
President, Indian Academy of Echocardiography

Scientific Thoughts

Dear friends,

I am thrilled to extend a warm invitation to you to ECHO INDIA 2025, the most comprehensive Cardiovascular Imaging conference of our nation from Thursday 18th September to Sunday 21st, September 2025 at God's own country Kochi, Kerala. This event promises to be one of your career's most enriching learning experience.

As the scientific chair of this prestigious annual international meeting, I have planned an unparalleled educational experience. ECHOINDIA 2025 will see in-depth insights and practical day-to-day imaging knowledge from the masters in the field of cardiac imaging. The meeting already has confirmation from international imaging masters and will also provide learning opportunities from national faculties.

This meeting will provide everyone one of the best opportunities to network, meet old friends, make new ones and have great memories. The scientific program is being designed in a manner which will encourage maximum discussion. The meeting will also provide a platform for the industry to showcase their best products and network with the delegates.

Join me at ECHOINDIA 2025 for an unforgettable journey of learning, innovation and professional growth.

Warm regards,

Dr. Shantanu Sengupta
Scientific Chairman

Message from HQ

Dear esteemed delegates,

It is with great pleasure that I welcome you all to the upcoming "Echo India 2025", in the beautiful city of Kochi. This gathering of distinguished cardiologists, echocardiographers, and healthcare professionals represents a unique opportunity to share knowledge, exchange ideas, and advance the field of echocardiography. As we navigate the ever-evolving landscape of cardiovascular imaging, this conference serves as a platform to discuss the latest advancements, cutting-edge research, and innovative practices that enhance patient care. With an exceptional lineup of speakers, interactive workshops, and thought-provoking discussions, I am confident that this event will be both insightful and inspiring for all attendees.

Beyond the scientific sessions, I encourage you to take a moment to experience the rich cultural heritage and serene beauty of Kochi. Let this conference not only be a time for professional growth but also an opportunity to reconnect with colleagues and forge new collaborations.

On behalf of the Indian Academy of Echocardiography, I extend my heartfelt gratitude to all the organizers, speakers, and participants who have made this event possible. Your commitment to the field of echocardiography is truly commendable, and I look forward to an engaging and enriching conference ahead.

Warm regards,

Dr. Simmi Manocha
Hon. General Secretary
Indian Academy of Echocardiography
